

# The smart way to pay your bond

## RentBond makes moving easier

RentBond is a bond payment facility for tenants allowing you to repay your rental bond over 3 or 6 easy monthly instalments.

### How RentBond works

Find your new rental and then apply for RentBond at [rent.com.au/rentbond](https://rent.com.au/rentbond)

When approved, accept your contract online and enter your repayment details

We pay your full bond the very same business day, either directly to your property manager or to the bond authority

We deduct your monthly instalments until the bond has been repaid in full
