This beautifully presented four bedroom home is perfect for that family holiday. This home is only 250 meters to the waters edge and sleeps 10 comfortably.

The home has a fresh, light filled feel as you enter. There are two bedrooms on the lower level along with large central living space and bathroom. Upstairs the space continues with the two separated living rooms and bedrooms, a bathroom and new kitchen.

When you get back from the beach, you have a choice of either the front or back decking to enjoy the outlook. This property has the enviable position of backing onto the National Park giving you a balance of a natural vista or out the front with the Ocean aspect, with views of the water.

This tastefully renovated and decorated home and all its surrounds awaits your next holiday.
