Who says you can't expect all the comforts of home in a holiday house? Just one street back from the beach, this very private property is an absolute beauty. 'Perla del Mare' means Pearl of the Ocean - the perfect name for this stunning property. There's loads of interior space, including a big, light-filled living area with dining table, comfy couches and armchairs, flat-screen TV, and floor-to-ceiling windows that look out to a tranquil garden, adding to the easy-breezy holiday feel.

Opening off this central space are three gorgeous big bedrooms all with queen beds (one also has an en suite, while another has sliding-door access to the back garden). The garden is an absolute oasis. On the large rear timber deck, you'll find an outdoor dining setting and barbecue, perfecting for a relaxing afternoon or evening amid tropical plantings which enhance the relaxing seaside ambiance. For indoor cooking, there's a fully equipped kitchen with electric cooker and dishwasher. Numerous designer touches – including the pitched ceiling, polished aggregate concrete and timber floors, and quality furniture – make this a particularly desirable holiday property, while features such as the built-in wardrobes and large laundry/utility room are a bonus for longer stays. There's also reverse-cycle air-conditioning, a carport and video intercom.
