There are 3-bedrooms downstairs, Bedroom 1: Queen, Bedroom 2: Queen and Bedroom 3: 2 x Sets of Bunk Beds. Both Queen bedrooms have built-in robes with ample space for your luggage (just remember to double-check that you've grabbed all your things before your check-out) & the bunk bedroom has a chest of drawers and a wall-mounted flat-screen TV to keep the kids entertained. The family bathroom offers both a full-size bath (great for bubble baths) & a large separate shower, vanity area and toilet to the side. The laundry is next to the stairwell. Feel free to use the washing machine to freshen up your clothes and beach gear, you will find pegs, a wash basket and the washing line is just outside the door. Head upstairs into the second living space. It's bright and fresh and flows into the dining area and kitchen. Enjoy another flat-screen TV with Foxtel & DVD player for your entertainment, there's also a selection of 'old school' board games and plenty of reading material. If it's too cold out and you decide to stay in, why not have a crack at some knitting. Enjoy the complimentary wool and knitting needles, perhaps you can find a 'How To' guide online, as you have unlimited access to FREE WI-FI. The Master Bedroom boasts a King Bed, flat-screen TV, huge built-in robe and luxurious ensuite with double vanity, toilet and large shower.

There is also a 3rd toilet just off the lounge, with toilet and separate vanity area. The dining table sits up to 8 people, and additional seating at the breakfast bar for 4. Bring out your inner chef and fall in love with the fully equipped kitchen with all the appliances and cooking utensils you'll ever need. There's a pod coffee machine for the coffee lovers and a large pantry to keep all your holiday groceries.

Access the balcony via the dining area, this is where you will find the gas barbecue and a couple of outdoor seats that are in a perfect position for your morning tea and paper. Picnic table and chairs are available inside (by the dining table) and a second out-door setting for 6 is downstairs on the gravel area. The functional double garage, with auto roller door, allows parking for up to 2 vehicles. There's a paved outdoor area at the front of the house and a deck at the rear.

Completely ideal for an entertaining weekend. Pack your swimmers and just walk to the sea. Taste some of the delicious white & red wines at the nearby wineries and so much more! This is one for the family, or 2. Furry friends are welcome too, however, please keep them outside, the yard is secure and safe for them to run around. Separate living areas allows for the parents to take a break from the hustle and bustle and great for kids to have their own area to play.
