## Beachfront Bliss, Port Douglas

'Beachfront Bliss' is located in the exclusive Beachfront Mirage estate. This recently constructed luxurious beach house has been thoughtfully designed by Sydney architect Andrew Tzannes. Comfortably sleeping 12 people, 'Beachfront Bliss' boasts 4

bedrooms, 4 indoor/outdoor bathrooms, large media room and naturally lit open plan living/dining space. This property could just be the space you have been looking for to experience a family holiday you will look back on fondly for years to come.

You'll be spoiled for choice as you contemplate taking a stroll with the kids to the beach via the easily accessible walkway; Or maybe working on that sun kissed glow, whiling away the hours on the comfy day bed & sun lounges by the generous sized swimming pool.

Why not create a culinary feast in the superior, ultra-modern kitchen. Open the huge sliding glass doors to experience the soothing evening breeze. Congregate at the beautifully crafted timber dining table, then relax outside with a 'vino' from the alfresco wine fridge.

Cool off in air-conditioned comfort whilst you catch a film on one of the 3 digital internet enabled tv's in the home. Offering complimentary WIFI throughout plus an Apple tv, the inclusion of a large media room serves as an ideal space to entertain the children/tweens. When not swimming in the pool, there are also a selection of outdoor games (Petanque/Finsk) and bikes/helmets to keep the kids busy.

Beachfront Mirage is conveniently located close to the town hub and Crystalbrook Marina for easy access to restaurants, cafes, shopping and trips to the Great Barrier reef.
