This beautiful, well-equipped private waterfront property is situated in a cul-de-sac with direct access to the beach less than a stone's throw away. The living areas and upstairs balcony offer uninterrupted, stunning views of Gulf St Vincent. The 3-bedroom house is lovingly furnished in contemporary style and is the perfect spot for a relaxing family holiday. A rear covered deck with ample seating and gas BBQ offer opportunities to slow down after a day on the beach. The kitchen is well-equipped to cook up a storm and service homemade meals or if you prefer there are cafes and restaurants walking distance from the property. The Gulf St Vincent beach front at Moana is a combination of low cliffs, sand dunes, and hard compacted sand. The beach at Moana is accessible by normal passenger vehicles and is one of the few beaches where cars are allowed to drive onto the beach.
