Coveting a northerly end-of-row position, this gorgeous home impresses with roomy interiors thoroughly upgraded with fine attention to detail. Curated finishes honour its c1900s origins, highlighted by elegant living space adorned with original fireplaces and glimpses of the gourmet kitchen and entertainers deck. Beyond the sheer sense of spaciousness within every room, this remarkable home rewards with stylish finishes and premium appointments assuring comfort across all seasons. It also features dual parking, encouraging you to save on fuel costs and explore the precincts selection of dining, entertainment and transport options by foot.

Features Include:

- Can be taken furnished, partially or unfurnished
- Spacious entertaining area with custom-built wall display to showcase collectibles
- Kitchen aromas drift into both the dining area and the northerly alfresco setting
- Refurbished gourmet kitchen with imported sink and stainless appliances with oven bank
- All four bedrooms are oversized and three provide built-in wardrobes
- Master bedroom has a brand new marbled ensuite attached
- Second bedroom on top floor with brand new, marbled ensuite attached as well
- Third, main and elegant bathroom with designer-grade tiling, clawfoot tub and anti-fog mirror
- Soaring ceilings, plantation shutters and dark floorboards enhance the period mood
