... service should you require (closed until further notice due to COVID-19). Our fully licensed bar and outdoor courtyard area provide a perfect space to welcome friends, not to mention the swimming pool area on hot summer days.

All utilities (power, water and gas) are included in the weekly rental, except for telephone line. No hidden fees. Wi-Fi is a great option, as the building has its own, meaning you will not have to pay for a new modem and/or installation. Riverside can organise unlimited Wi-Fi for only \$15 bucks per week.

Most importantly, Riverside Hotel has a COVID-19 Action Plan and brand new Standard Operating Procedures to ensure the safety and health of all building guests, occupants and visitors, as well as our team's. This way you know that your new home is 100% FREE of Coronavirus.

We are available for inspections from Monday - Friday between 8am and 4pm. Please call to arrange a time that suits you!
