Sensational space and style for all the family

A superb family package, this stylishly presented full brick home's generous accommodation, smart modern design and large 713sqm landholding all reinforce its excellent lifestyle appeal. Its spacious multi-level layout has been cleverly updated and extended to provide a relaxed living and entertaining environment where privacy, space and convenience all merge with great success.

This popular family location is within strolling distance to the ferry wharf, parklands and city buses.

- * A spacious level block with a wide frontage
- * Light filled interiors feature large formal and casual areas
- * Private northerly facing courtyard and saltwater swimming pool
- * Huge double garage that could convert into a a downstairs kids retreat
- * Four large bedrooms plus home office
- * Gourmet granite kitchen equipped with quality gas appliances
- * Ducted air-conditioning, an abundance of storage and additional off street parking
- * Sheltered entertainment patio with built in pizza oven & entertaining area
- * Within a few footsteps to Chiswick village shops and cafes
