Parking in the single garage (with auto door) and proceeding up the stairs is the enclosed front pergola, perfect for entertaining or catching the afternoon breeze.

Inside are more classic features of a Queenslander with timber floorboards through out and original windows and fretwork.

The master bedroom and bedroom two are both equipped with double built in robes and ceiling fans. The kitchen has been upgraded to include gas cooking, dishwasher, ample storage space and hidden laundry. The open plan living and dining space have reverse cycle air conditioning and ceiling fan.

The bathroom is a great size and has been updated to include a separate bath. The study/third bedroom also has a built in robe and has dual access from the front pergola and the living room.

The average amount of Electricity, Gas and Water are included in the rent.

Pets will be considered at this property.
