This three to four bedroom home is full of character, two bedrooms having built in robes, carpet in the bedrooms and timber floorboards in passage and living areas, the updated kitchen includes a dishwasher, dining room with combustion heater and separate lounge. There is also a split system in living area for heating and cooling. In the back yard is a lined rumpus room inc bar and fridge which could be used as a fourth bedroom, teenage retreat. Also a sunroom situated at back of house provides extra space. The large enclosed fenced backyard is lovely with lawn and a cubby house. This home has a lovely warm and welcoming feel about it and pets are negotiable. The property is on the market For Sale and a periodic lease is available. Please go online to submit a rental application and then we can arrange a time to view this property.
