## Lifestyle and Location!

P.S. storage cage is not included.

Come home to Nest at the Hill, the largest apartment development in Doncaster. Enjoy the very generously sized luxury residences and the seemingly limitless amenities, all located on the top of the hill for sweeping views around.

The hotel style amenity of Nest at the Hill is unprecedented in Doncaster. Enter the into the incredible lobby and be greeted by the concierge, before heading up to the first floor to relax by the pool or work out in the gym. Curl up and read a book, or even treat your friends to a barbeque on one of the rooftop terrace. If you are entertaining a big crowd, use the cleverly designed residents lounge which can be converted into one larger or two smaller spaces for dining and even parties.

The floor plans of these residences set themselves apart from the other projects in the area with huge amounts of space, light, and storage. The quality of the finishes is unmatched, with ample shelving throughout to make apartment living a breeze.
