Perfect Preston Position

Bright natural light in the heart of Preston is this contemporary 2 bedroom apartment. Timber floors, reverse cycle heating/cooling and a kitchen fitted with stainless steel appliances and stone benches complement inviting dimensions.

Sliding glass to the balcony creates an indoor-outdoor mood for the living/dining areas - and for the main bedroom - in a design that includes a stylish bathroom and separate laundry. In addition to its balcony access, the main bedroom features the luxury of a walk-in robe while the second bedroom appreciates built-in robes.

Secure storage cage and allocated parking mean convenience and comfort are perfectly paired in a building with an elegant profile only moments from High Street's shops and trams, Bell station trains and Preston Market.
