Inspections
Inspections are by appointment only

This home is positioned in a fabulous pocket of Malvern and has undergone a beautiful transformation. At first glance you will notice the landscaped gardens, grand entrance hall with polished floor boards which welcome you via the character filled veranda. Three king size bedrooms all with built in robes and fourth bedroom or formal dining room, offer luxurious accommodation, serviced by large modern bathroom. A functional open plan kitchen with quality appliances including an electric oven and gas cook top, with the original wood stove as an ornamental piece that pays homage to the original home. The kitchen overlooks the open plan living room and is supported by a separate large formal living room. Additional features include split system heating and cooling, ducted heating, a separate laundry, recently painted and carpeted throughout, secure large back yard for the children or to entertain in, remote control off street parking for two cars, sprinkler system, alarm and walking distance to Glenferrie Road shopping, restaurants and schools.

Why pay for your bond now, when you can pay it off later?
