In the interests of keeping our landlords/tenants and staff safe, if you are feeling unwell, experiencing any cold or flu-like symptoms or have recently returned from abroad or interstate, we ask that you **do not attend our open inspections**.

Please contact our office to organise a way for you to view our properties without coming on site.

It's important if you are symptomatic or do not feel well that you maintain respect for our landlords/tenants and do not go on site.

For all visiting persons, remember to **hand sanitise** on contact and please avoid touching any surfaces in the property.

We thank you for your cooperation.

In the interests of keeping our community safe, please note the following restrictions are currently in place at all of our inspections:

- > Inspection is **by appointment only**
- > **Check in & out** with our staff - QR code or manually
- > Only **1 person** allowed to inspect at a time
- > **Masks** must be worn at all times
- > **Sanitiser** must be applied before entry
- > **Do not touch** surfaces, cupboards, door handles
- > **Keep your distance**
