What We Love

Situated in one of the most sought-after suburbs in Sydney, this 4 bedroom apartment is located in a secured complex with a shared pool and a spacious courtyard. Close to cafes, restaurants and transport, this is ideal if you need to be near the CBD for work or just want to stay near the city centre.

Newly renovated with tasteful finishes, floating floors, fully equipped Miele kitchen and renovated bathrooms and master en-suite, this humble abode is complete with must-haves in a home.

All bedrooms are fully air-conditioned, with windows opening up to nature. The master's bedroom has its own en-suite bathroom and a walk-in closet with plenty of storage. The study was converted to the 4th bedroom perfect for a work from home set up since it has a desk and a chair for your meetings and virtual brainstorming. The chic kitchen has a coffee maker, large fridge, electric cooktop, oven, microwave, dishwasher and plenty of storage space. The open-living space opens up
