This beachfront property features plenty of accommodation and space for the whole family.

Air conditioning to main kitchen/living and sleep out but you're unlikely to need it as the sea breezes cool this casual beach side residence.

With free WIFI for your use throughout your stay, this is perfect for the Netflix streamers and kids laptops.

The covered veranda to the front of the property will ensure you enjoy your stay and relax with your morning coffee and good book or even the glass of wine in the afternoons.

You will be able to sit back and enjoy the sound of waves from the tranquil northern end of Lammermoor Beach and south of Wreck point.

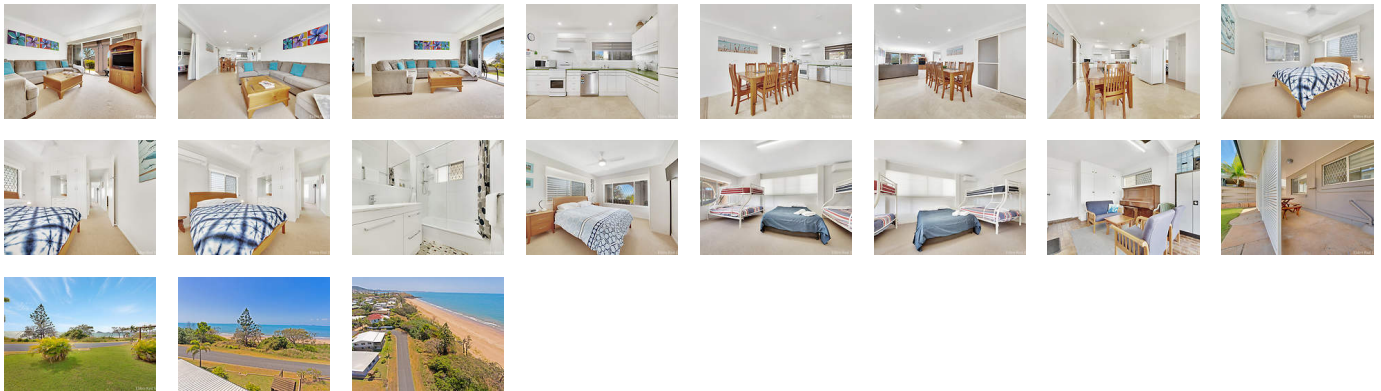

This property also includes a laundry for your use.
